

Overview

School organisation

The School of Education is part of the Division of Arts at Murdoch University on both the South Street and Rockingham campuses. It has a Dean's administrative office, an Education Research and Academic Programs office (ERAP), a School Experience office, a Curriculum Resource Centre and a Centre for Learning, Change and Development (CLCD).

Teaching and research in the School is administered by two Program Committees: the Initial Teacher Education Committee and the Research, Postgraduates & Centres Committee, whose members are drawn from within the School.

The formal decision-making body for the School is the School Committee which is comprised of all academic staff, administrative staff in continuous positions in the School, and student representatives.
