Staff Awards

Ms Johanne Klap

Vice-Chancellor's Excellence in Teaching Awards 2005

These awards are given to academics who are highly professional teachers as well as outstanding in their commitment and ability to respect, support, challenge and enthuse students.

Johanne Klap received her award in the category of Early Career Teaching. Johanne is a contract teaching staff member in the School of Education. Her teaching is focussed on the teaching practice of student teachers. Her philosophy of teaching is based on creating experiences in which students can learn, and helping student teachers understand how people, including themselves, learn. Johanne demonstrates a natural ability to combine teaching theory and practice in very enthusiastic and well structured sessions, which provide an excellent model to student teachers studying at Murdoch.
